**IPE's 25th
Anniversary
Year**

The most relevant and targeted platform for your organisation to deliver its message to and raise its profile among senior pension fund decision makers

2022 Information and rates

Introduction

IPE is a multinational, market-leading niche financial information provider which is both European and global with roots in the UK. It is focused on pension funds and other institutional investors, and those who serve them; all of IPE's products and services have the central objective of facilitating and enhancing interaction between these groups, specifically between the buy and sell side of the industry.

We have successfully created a suite of editorial products and services which are used by the industry's most senior executives. In close consultation with our readers we continue to develop these products and services; this includes adapting them to meet the challenges posed by continued remote working and travel bans.

Our readers trust and value the IPE brand both for the integrity of its products and because they know that we understand our readers, their needs, and how they change. IPE is delighted to have been named Institutional Team of the Year in the 2020 Aegon Asset Management Journalism Awards, and Institutional Investment Publication of the Year in the 2020 Willis Towers Watson Virtual Media Awards.

In 2022, IPE's 25th anniversary year, we look forward to working with our industry partners to further strengthen our position as the leading source of intelligence on European pensions and institutional investment for the benefit our senior, decision-making readership.

IPE BRINGING TOGETHER EUROPE'S
PENSION FUNDS SINCE 1997

The value of IPE to our European pension fund readers

KRISTÍN JÓNA KRISTJÁNSDÓTTIR,
PORTFOLIO MANAGER AT IS FUNDS
(ÍSLANDSSJÓÐIR HF.), ICELAND

IPE is a great and reliable source of information on various topic related to pension funds and asset management. It is always on top of recent trends and relevant topics and gives an in-depth analysis on the topics it covers, helping me in my decision making as a portfolio manager.

HANS-WILHELM KORFMACHER,
HEAD OF THE MANAGEMENT
BOARD, WPV, GERMANY

IPE offers a broad overview of the international investment industry and always deals with current topics. This view beyond the horizon is a valuable support in our daily work.

MAGNUS BILLING,
CEO, ALECTA,
SWEDEN

IPE is a very valuable and important source of information for me in my work. It keeps me abreast with recent developments in the market-place and it provides me with in-depth analysis on topics that are of key importance to Alecta's business.

CHRIS VERHAEGEN
FORMER MEMBER OF THE
BOARD, VRT, BELGIUM

IPE Magazine has always had a very good reputation in the Belgian pensions industry. It is very interesting to read what is happening at pension funds in other parts of Europe and IPE's coverage about pensions matters at EU level is also very useful. The content is delivered in a way which is easily comprehensible for the reader, and IPE Daily News keeps the coverage current and relevant with the latest information.

FRED NIEUWLAND,
CIO, MARS NEDERLAND BV,
NETHERLANDS

IPE is doing a brilliant job of reporting on interesting and topical issues for European pension funds.

LUC VANBRIEL,
CIO, KBC PENSION FUNDS,
BELGIUM

IPE sits perfectly between very tough analytical literature and a newspaper. It is our main source of information and I recommend it to every colleague who joins.

CHRISTOPH ZIMMERMANN,
HEAD OF EXTERNAL INVESTMENTS,
COMPENSWISS, SWITZERLAND

I do get plenty of useful information from IPE and IPE Real Assets.

MARKUS SCHAEEN
SENIOR FUND MANAGER,
MN,
THE NETHERLANDS

IPE covers a good variety of very current and relevant topics. It is good to read the high-level, independent and objective perspectives from pension funds in other European countries; many of them are dealing with the same issues as we are, so it is interesting to learn from their experiences, especially when they are ahead of where we are on the curve.

IVONNE FORNO,
MANAGING DIRECTOR,
LABORFONDS,
ITALY

IPE editorial is very useful for me and my colleagues, because Italian pension funds (second pillar) are very young in terms of experience and AUM. IPE editorial provides coverage of foreign pension funds' experiences from which we can take ideas; we can also use it to share ideas regarding new and pioneering projects.

THOMAS GROFFMANN,
ADMINISTRATOR OF THE RESERVE
FUNDS, EUROPEAN PATENT
OFFICE, GERMANY

IPE provides to institutional pension funds a broad platform of excellent quality with a good mix of content. The strategic discussions about how pension funds allocate are of particular interest for me.

PHILIPPE REY
CEO,
UMR COREM,
FRANCE

I read regularly the French media like Option Finance or l'Agefi. For our institution, IPE brings a few differentiating things such as a vision of the pension fund market in Europe and also highlights the investment strategy of our European counterparts. Every year, I also like to receive the list of European management companies and the list of pension funds, which gives us a good view of the market.
